

Dear Generous Food Drive Donors,

My name is Stephen Reilly. I am a sophomore at The Ohio State University and a resident of Basking Ridge. I am very excited to work with **Christmas is for Children** for my 4th year as the annual food drive coordinator! Last year was quite successful and I hope this year is just as great! The food drive program supports many families in need during the holiday season and your generous donations each year help us to supply much needed meals and household items. This year we are focusing our efforts in partnership with the Food Bank Network of Somerset County which will help those in need in the community including those most impacted by the flooding of Hurricane Ida.

To donate this year, please review the list of suggested items (over). We are focusing on non-perishable food items and personal care items. Also, please fill out the attached form and include it with the donation. The form is only for our records to acknowledge your support and will not be sent with the donation.

Donations should be dropped off at: **105 Emily Road, Far Hills, NJ 07931** on: **Saturday, December 18th between 8am and 12noon**

I appreciate your cooperation with this date and time because the items will be delivered to the distributing organizations later that afternoon from this address.

If you have any questions or need more information please contact my mom, Christine Reilly at 908-625-0469 or email her at samallyd@yahoo.com at any time as she will be helping me with the donations.

Please share this flyer and form with all of your friends, co-workers, teammates and group members and ask them to please consider a donation. The recipients are so grateful for your kindness, especially at this time of year!

Sincerely,

Stephen Reilly
2021 Food Drive Coordinator
Christmas is for Children
